

To Extradite American Youth.
LONDON, May 11.—Arthur E. Mayer, alias Alfred E. Montagu, was today ordered by the Magistrate at Bow Street Police Court to be extradited on a charge of grand larceny alleged to have been committed in the State of Maryland. Mayer, who is only nineteen years old, when arrested on the arrival of the steamship Baltic from New York on April 18, had \$15,000 in his possession.

TWO NERVOUS WOMEN

Made Well by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I had a severe case of nervous prostration, with palpitation of the heart, constipation, headaches, dizziness, noise in my ears, timid, nervous, restless feelings and sleeplessness."

"I read in the paper where a young woman had been cured of the same troubles by taking Lydia E. Pinkham's Vegetable Compound, so I threw away the medicine the doctor left me and began taking the Compound. Before I had taken half a bottle I was able to sit up and in a short time I was able to do all my work. Your medicine has proved itself able to do all you say it will, and I have recommended it in every household I have visited."—Mrs. MARY JOHNSTON, 210 Siegel St., Philadelphia, Pa.

Another Bad Case.

Ephrata, Pa.—"About a year ago I was down with nervous prostration. I was pale and weak, and would have hysterical spells, sick headaches and a bad pain under my shoulder blade. I was under the care of different doctors, but did not improve. I was so weak I could hardly stand long enough to do my dishes. Lydia E. Pinkham's Vegetable Compound has made me well and happy, and have begun to gain in weight and my face looks healthy now."—Mrs. J. W. HORNBERGER, R. No. 3, Ephrata, Pa.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

GAS KILLS SCHOOL JANITOR.

Pupils Get Holiday When His Dead Body Is Found.

The children of Public School Annex No. 19 at Stark street and Union avenue, Williamsburg, wondered why they were suddenly granted a holiday today noon after school opened when the teachers had just shooed them home.

Downstairs in the basement lay the dead body of Michael Purcell, the janitor. Gas filled the room and the janitor had been dead a number of hours. Purcell lived in College Point. If he deliberately ended his life he left no note in the room telling his reason for doing

YOUNG MORGAN IN NO PERIL.

Surgeons Rushed to Perform Operation Find He Has Indigestion.

(Special to The Evening World.)
CAMBRIDGE, Mass., May 11.—Dr. Henry Jackson, famous Boston specialist, has diagnosed the illness of Harry S. Morgan, son of J. Pierpont Morgan, as indigestion, rather than appendicitis, which a Groton doctor pronounced the illness of the young schoolboy to be. Harry was taken ill at Groton School, where he is a pupil, Saturday, and from the preliminary symptoms appendicitis was feared and he was prepared for an operation.

His father, who was in Boston, rushed four surgeons to his son's bedside to perform the operation. It did not take the doctors long, once they had arrived at Groton, to find that young Morgan was in no danger and they so informed his father.

Test for New Zeppelin Airship.

FRIEDRICHSHAFEN, Germany, May 11.—The latest Zeppelin airship, the L 23, built for the German navy, made her trial trip here today.

CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" best for tender stomach, liver, bowels.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy. They know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given to-day saves a sick child to-morrow.

Ask your druggist for a 30-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.
